Subject: Inclusion on Signage ?

Hi Sean,

We are pleased to see the initiative to give tourists maps and destinations of interest. I have reviewed the signs on our block. WE are disappointed that we were not included with this up that we discussed about making our box office a pop up information portal...

Please advise if we can also be included with relevant destinations in our neighborhood.

Sincerely,

GS

PS Directly below is room to highlight our theatre...Cinerama is important but we are 50 ft from this sign.

Just checked them all. It is on the map, but didn't make it to the signs. Don't know how that happened.
